

AUTOSTRADDLE

TESTIMONIALS

Some words from the folks we've so loved working with.

The team at Autostraddle have been amazing partners throughout the years offering creative solutions for numerous campaigns targeted to the LGBTQ+ audience. From in-person events, to original content and influencer campaigns, Autostraddle has been extremely collaborative, engaged and a true extension of our team.

— Jason Vanderwoude, Allied Global Marketing

We had a vision to create a Queer Sexual Health workshop that would speak to a diverse audience as well as be accessible, educational, engaging, and compassionate. The team at Autostraddle understood our vision and values, and they ran with it. The workshop facilitator, Ro, provided warmth and sensitivity and held a space that invited honest conversations for our panel of sex educators and the online attendees. We are thankful for the level of professionalism, care, and multi-dimensionality that Anya, Ro, and Corvyn at Autostraddle brought to this event. We would love to work with them again in the future!

Some words from the folks we've so loved working with.

We absolutely loved working with Autostraddle on our email acquisition campaign. They were professional, quick, and easy to work with. I loved the creativity and thoughtfulness they put into our campaign and we received quality subscribers to our newsletter, which promotes inclusivity and diversity in sport.
