

NUESTRA VISION

Overview

- Nuestra Vision is a Spanish-language television network serving the Mexican, Mexican-American and US Hispanic audience for over 4.5 years.
- The network features one of the best and most prestigious Mexican movie libraries composed of over 2,300 titles, live news and sports news produced daily, live sports, series, and special events.
- Nuestra Vision is produced daily at America Móvil (NYSE:AMX) in Mexico City, and is transmitted through various OTA TV stations across the US and digitally through a variety of leading live streaming platforms.
- The network is minority-owned certified and has national presence in the US, reaching millions of viewers through broadcast TV and digital streaming users. US operations are located in Miami, Florida.
