# Testimonials

*“Multimerica has become a go-to media partner I bring in for a diverse set of clients I work with on media strategy, especially those who are looking for new partners to help them achieve inclusivity goals. They know how to target, buy, and optimize to find the right people in the right places. Plus, the team is a joy to work with as they are collaborative and knowledgeable across channels.”*

Wes Meador  
Digital and Media Strategist and Consultant (former MediaCom)  
Clients Include: DePaul University

# Testimonials

*“Over the past year, Multimerica Media was able to come on board quickly with DePaul University to successfully execute campaigns against many different target audiences who are important in helping us achieve our goals. They were easy to work with, paid attention to the details, and were always looking for ways to best achieve our campaign objectives.”*
